2018 SKRC Club Championship Rules

The Club Championship is open to members of Sydney Kart Racing Club only. To be eligible a karter must be a paid up member for the twelve months as at November 30, 2018 and hold a Grade A, B or C Grade AKA Licence. If his/hers membership lapses accumulation of points will stop. In addition a trophy will be awarded to the "D" Grade Licence holder with the highest number of points as at November 30, 2018

- **Points accumulate from all KNSW sanctioned race meetings held between January 1, 2018 and November 30, 2018**
- Points will be earned from both the Grid Position and Result of the Final at any of these race meetings. These will be tracked using the KNSW Race Management System and drivers names. In calculating points Field Size and Results/Position will be taken into consideration.
- **No points will be awarded for DNS, DNF or DSQ results.**
- To be eligible for a trophy a driver must have raced at a minimum of three (3) of the named meetings.
- If a driver contests more than one class, whether at the same round or different rounds, the points for each class are counted separately towards the overall Junior and Senior Championships and are only combined when a driver changes age, weight or engine class during the year and under the condition that the driver does not change back. Where a driver changes classes he or she will eligible to win the class where they raced the most number of meetings.
- The first three places in each class will receive trophies for the overall Club Championship based on class results at the end of the year.
- The overall Junior and Senior Club Champions will be named. This will be decided on the total number of points accumulated for all rounds competed in.
- The presentation of trophies will be held on Sunday December 16, 2018 at a venue to be announced.
- All KNSW competition classes are eligible
- Special awards and prizes will be announced during the year.
- ***It would be a great help if you could email to rbaker99@bigpond.net.au the following information after you race. The date, the venue and class that you ran.***
